Hi Herminia:

Followup from our conversation (see emails below). I believe both ATSDR and TX DSHS would be available for any input into the health assessment.

Thanks,

Hi Steve!

Per our telephone conversation a while ago, Marilyn Christian and Dr. Latrice Babin will be the only persons involved from HCPHES in the health assessment phase of the project. I am copying both of them to let them know.

Marilyn Christian is the Senior Manager of Program Policy & Planning for HCPHES's Environmental Public Health Division and Dr. Babin is the Administrator of the Division's Environmental Toxins Control Programs.

Thanks!

Bud
